Would you like to help out in your child's class?

Dear parents and carers

Would you like to help in your child's class? Could you spare an hour or two every week? Helping in child's class will be very rewarding and fun and would help all the children in their class.

Parent helpers do a range of things that support children. They can hear children read, change reading books, help with writing activities or do arts and crafts. Parents who would like to help in the Academy must be able to make a regular commitment and would need to complete a CRB check before they were able to start helping.

If this is something you would be interested in please fill out the slip below.

Yours sincerely

Sian McDermott
Learning Director for Phase One.

.....
I would like to help in my child's class. I understand I would have to have a CRB check and attend an induction session.
