May 2011

Celebration

We have some new additions to Reception, our chicks! On Monday 9th May the farmer delivered the chicks (still in their eggs) and put them in an incubator in the classroom. By Wednesday five chicks had already hatched and so the children have begun to writing in their diaries about the chicks development. When they have grown a little the children will be able to hold them.

Please feel free to drop into the classroom at the end of the day to come and look at the chicks with your child.

It was really nice to see all the families attending the sessions the families had a chance to experience different play and learning opportunities with their children.

Below are some comments from the parents that attended and some photograph's showing how much fun with had.

*A fantastic set of events, Very well organised,
The days were structured very well and the kids were kept entertained
activities were fun for adults and children, very informative,
learnt a lot of new things, the sessions are varied,
It got us out of the house and a chance to mix with others.*
