

BRIDGING WORK

Level 3 BTEC Nationals (2016) Business

TASK

Research one business that makes a profit, (Tesco, Sainsbury, Asda, Barclays, Nike, Mercedes, BMW, BT...) and a not for profit business, like a charity (RSPCA, Cancer Research, Water Aid, Red Cross...)

You will need to create a report and provide evidence to support the questions below.

These questions need to be answered for both businesses to pass.

- **How many stores do they have?**
- **Where can they be found?** *Locally, nationally or international?*
- **How many staff do they have?**
- **What is their key purpose?**
- **What sector do they operate in?** Primary, secondary or Tertiary or all 3.
- **What type of ownership do they have?**
PLC/LTD
- **What type of liability do they have?** *Limited or unlimited*
- **What is their mission statement?**
- **What are their aims**
- **What are their objectives?** Financial/Non-financial

OVERVIEW

Single Business students will need to complete Core Unit 1 and this consists of five learning aims.

You will need to complete three assignments, one power point presentation to an audience and a Q&A

When you start the course in September, please ensure that you have one A4 ring binder dedicated to this unit and you will need to bring it to every lesson
