

TASK

Task 1 –

Research and write notes on the roles of the following 13 professionals in Health and Social Care:

Doctor, Midwife, Adult nurse, Mental health nurse, Paediatric nurse, Learning disability nurse, District nurse, Neonatal nurse, Health visitor, Social worker, Occupational therapist, Youth workers and Care managers.

Task 2 –

Choose 3 professionals from above and write a paragraph on each about the skills and personal attributes required for developing relationships with their clients

Include at least 3 points from each bullet point in your answer

- *The 6Cs* – care, compassion, competence, communication, courage and commitment
- *People skills* – empathy, patience, engendering trust, flexibility, sense of humour, negotiating skills, honesty and problem-solving skills
- *Communication skills* – communicating with service users, colleagues and other professionals, e.g. active listening and responding, using appropriate tone of voice and language, clarifying, questioning, responding to difficult situations
- *Observation skills*, e.g. observing changes in an individual's condition, monitoring children's development dealing with difficult situations.

OVERVIEW

In year 12 you will study

Single: Unit 5 - Meeting Individual Care and Support Needs

Single: Unit 2 - Working in Health and Social Care

Double: Unit 19 - Nutritional Health

Double: Unit 7 - Principles of Safe Practice in Health and Social Care

When you join us in September, please ensure you have two ring binders.

You will also need folder dividers for each folder to separate each topic.

DUE: First lesson in September
