

TASK

You will be required to complete an independent research task on Tourism in Turkey.

Your research should be based solely on Turkey.

Points to include:

- How tourism influences the Turkish economy.
- Both the advantages and disadvantages of tourism in the local community.
- The investment opportunities tourism may potentially bring to Turkey.

YOUR TASK

You will need to create a resource, which contains key information on these bullet points mentioned above in **TURKISH**.

You can present your resource in any of the following formats:

- Research task with a report/presentation
- Mind maps/ Spider diagrams
- Posters
- Write an essay based on this particular topic, you may also include your own critical analysis.

OVERVIEW

- You will be sitting 3 papers at the end of the 2-year course.
- Compulsory study of one literary text and a film.
- Independent research project assessed in the written exam.
- Required integrating skills of listening, reading and writing.
- Translating

When you join us in September, please ensure you have a ring binder folder for the course.

You will also need dividers to separate each paper and each text.
