We recommend you use Cornell Notes to prepare for your new course. Please see this video to help you develop the technique:

<https://youtu.be/WtW9lyE04OQ>

Please complete the activities in this booklet in readiness to begin your study of Level 3 Criminology. These should be handed in to me in your first lesson in September. Remember – Sixth Form study is hard work and there are no short cuts. Commitment to your studies is essential.

Good Luck and Stay Safe!

Welcome to Applied Criminology!

You have chosen a subject that combines elements of psychology, law and sociology and that complements studies in humanities. Each unit has an applied purpose which demands that learning is related to authentic case studies – this is the interesting bit! It will certainly ‘keep you on your toes’ and make you think in ways you couldn’t imagine. You will certainly have a very different outlook on society by the end of your course.

Overview of the course:

This is a two-year course. Units 1 and 2 completed in the first year comprise an 8-hour Controlled Assessment plus a formal examination. This is replicated in Year 2 with Units 3 and 4. You must **complete and pass ALL units** to gain the Diploma. The overall grades will be recorded on a scale A*-E.

Unit 1: Changing Awareness of Crime (Controlled Assessment)

Unit 2: Criminological Theories (Exam)

Unit 3: Crime Scene to Courtroom (Controlled Assessment)

Unit 4: Crime and Punishment (Exam)

Look at the specification for more detail about these topics. You can find this at: <https://www.wjec.co.uk/media/21xjkr24/applied-diploma-in-criminology-specification-from-2015.pdf>

You will be expected to **know and understand** the information covered, to be able to **apply** that knowledge and understanding and to be able to **analyse and evaluate** that knowledge and understanding.

Expectations of the course:

- Lessons consist of taking notes, group discussions, watching relevant DVDs/documentaries, group work and PowerPoint presentations.
- Homework consists of note making, wider reading, research, past exam questions, power points and essays. It is expected that about 5 hours a week will be spent on Criminology homework.
- The **Reading and Watching List** on the following page will help you to gain wider knowledge and a broader framework in which to apply your knowledge. You will be expected to choose something to watch/read every half term and to feed back to the rest of the class. You may do this individually, in pairs or groups.
- Your progress will be reviewed on a regular basis. The review process will provide feedback at specific times throughout the year. You will

also be expected to be within two grades of your target grade on each piece of work.

- You are expected to use the resources available to you in the library and common room here and are strongly encouraged to use libraries outside of school, not just the internet.
- Make a Criminology chat/whatsapp for discussion.
- Your folders of notes will be checked on a regular basis to see if you are organised and up to date with your work.
- USE YOUR STUDY TIME AND BE PRO-ACTIVE.

Task 8: Key Words

Find out what the following key words mean.

<u>Key Term</u>	<u>Definition</u>
Criminology	
Crime Social Definition Legal Definition	
Deviance	
Genocide	
Nature/Nurture	
Decriminalisation	
Moral Panic	
Norms	
Civil Liberties	
Statute	
Miscarriage of justice	

Task 9

Nature vs Nurture – The Big

Debate

There are many ways of explaining why certain people do things in certain ways. For example, biologists think that people behave as they do because they are controlled by nature. This is known as **Nature theory**. Humans are compared to animals and seen to act on **instinct**.

Sociologists believe that people behave as they do because they are taught how to behave. For example, the sociologist Michael Haralambos states, 'Human beings learn their behavior and use their intelligence whereas animals simply act on instinct.' This is known as **Nurture theory**. Nurture means the way you are brought up. It is also a reference to **socialization**, the lifelong process by which we learn our culture, values, norms and how to behave.

Research the childhood backgrounds of any notorious serial murderers such as Fred West or Harold Shipman. The focus should be on life history and not subsequent crimes. Thinking about what you have read about Nature and Nurture, which explanation could account for their criminal behaviour?

Essay

This essay is designed to allow you to demonstrate your understanding and writing skills.

You will be assessed on the quality of your written communication, organisation and the level to which you have understood and can use key concepts.

Essay title:

To what extent did childhood experiences either indicate developing problems or appear to contribute to the later offending behaviour?

You will need to select a criminal to write about and pay particular attention to what you have read about nature and nurture. Further research will also be required.

Your essay should have:

- Clear paragraphs, an introduction and conclusion
- Accurate spelling, punctuation and full sentences
- Correct use of grammar
- Accurate phrasing
- A discussion of BOTH nature and nurture, explaining which theory best suits the behaviour of the criminal you have chosen to write about.

Your essay should be at least 500 words and typed if possible.

You should hand in your essay when directed on your return to 6th Form.
