<u>Study and Resources Checklist</u>	Tick when complete
Ensure you have a clear understanding of exam requirements using the exam skills booklet – command words, types of questions and number of marks.	
Consolidate knowledge and understanding of named sociologists and theories using the named sociologist summary sheet.	
Practice application AO2 questions where you need to apply your knowledge to a stem through exam practice. Explicit reference to stem.	
Write effective evaluation AO3 paragraphs to gain full marks and develop the ability to contextualise evaluation avoiding generic points. How is evaluation relevant to study/theory?	
Use specialist terminology effectively in your answers – identify keywords for each topic.	
Recap Research Methods knowledge as this topic is tested across both papers.	
Complete exam papers and compare your answers against the mark scheme to develop understanding on what is expected to gain full marks.
