

Year 7 Summer Support 2020-21

Combined Science

Advice and support for all Year 7 students		Tick when complete
Regular independent study will aid the recall of knowledge and enhance your skills to ensure targets are met next year		
• Complete weekly Seneca learning activities – These are designed to keep you thinking about all topics		
• Use Seneca weekly to practice areas that you struggle with		
• Write a list of your strengths and weaknesses		
• Create a revision timetable that includes all units covered, ensure you allocate extra time for the areas you have identified as a weakness		
• Use your exercise books or the knowledge organisers to revise all units
