

Year 9 Summer Support 2020-21

Music

Advice and support for all Year 10 students
Regular independent study will aid the recall of knowledge and enhance your skills to ensure targets are met next year

Tick when complete

- Complete SMHW quizzes - These are designed to keep you thinking about all topics
- Practise instrument at home if you have one
- Practise making beats on Garageband
- Create a timetable that allows you to have time to practise or listen to performances
- Work with someone else in your class and discuss a few performances you have watched
- Complete All tasks set on SMHW and go back through any missed.

Internet websites and apps for study support

Yousician, Musictheory.net, ABRSM Quizzes, Garageband, Youtube, Learningmusic.ableton.com, Microsoft Teams, SMHW

Study areas to practise or complete	Where to find the information to revise	Tick when complete
