

22<sup>nd</sup> July 2022

Dear Hadley Parents,

I hope this letter finds you and your family healthy and well.

The end of term has been a busy one. We have spent the last few weeks celebrating the phenomenal achievements of our children of Hadley whilst also trying to stay cool in the hot weather!

### **Phase 1 Achievements**

Phase 1 celebrated outstanding achievements in their SATS exams. Our children in year 6 achieved 83% in Reading, 78% in Grammar and 76% in Maths. All were above the National average for this age and shows excellent progress. Given all the missed learning due to Covid, these children have demonstrated exceptional focus and resilience. Well done year 6

### **Summer Term Events**

All the children took part in our Hadley sports days where they had an opportunity to show off their sporting skills over five days of competitions. Over 100 medals were presented to children in all year groups to recognise their achievements, and we all had lots of fun watching the events and cheering them on.

We also hosted two glamorous Prom celebrations for Year 11 and for Year 6 to mark the end of GCSEs and SATs exams and congratulate them for their hard work.

There have been so many exciting trips that have taken place in the last few weeks too. These have included trips to:

- *The Jurassic coast*
- *Sea World*
- *The Bank of England*
- *The Supreme Court of Justice*
- *The Royal Society*
- *London Zoo*
- *Adventure Island*
- *Shakespeare's Globe Theatre*
- *Forty Hall*
- *The Olympic Park*
- *Tate Modern*
- 

You can read all about them [here](#)

In addition to this, our children in phase 2 have visited *Oxford University, Cambridge University, King's College and University College London* to begin their preparation for university applications.

### **Summer Learning**

All the teachers at Hadley have prepared summer learning for all children. This has been updated can be found on your child's iPad in their Independent Learning Folder. Please can you encourage your child to engage with this. Even 10 minutes each day will help to prevent boredom and also support progress in the new term.

### **Summer School**

### **Key Staff Changes**

Mrs Ravi Varma is retiring this summer. She has been supporting great outcomes in Phase 1 at Hadley since 2016. We are all incredibly grateful for everything she has done to help children and staff and we are really sorry to be saying goodbye. She is being replaced by Rochelle Robb who will lead our Early Years at Hadley and build on Mrs Ravi Varma's great work.
