Dear Hadley Phase 1 Parents

### **Falcon Spur Road – No Parking**

I do hope you had a lovely Summer and your child is settling into the new term.

I'm sorry that I must write to you under these circumstances, but it has been brought to my attention that Parents are stopping/parking their cars when dropping and collecting their child off to school. Unfortunately, this is causing concern over our student's safety, major traffic problems and many complaints from our community.

We ask that whilst work continues, that you be mindful and please follow the road rules to ensure the safety of our children. Where possible, do not park down this road until further notice and use the surrounding streets.

Thank you for your continued support.

Yours sincerely,
