

20th February 2023

Dear Hadley Phase 1 Parent

**Dress Up - World Book Day - Friday, 3<sup>rd</sup> March**

Every year the school celebrates World Book Day with a range of activities aimed to encourage children to read more and enjoy reading. Evidence shows that reading for 20 minutes every day improves vocabulary and supports children's learning in all subjects.

This year our theme will be **Monsters**. As part of the celebration, we encourage all children **to dress up** and come to school as **a book character or monster**.

**We do not expect you to buy costumes and we will be making monster masks etc at school.**

We look forward to celebrating this annual event with the children and seeing their wonderful costumes. If you have any questions, please ask your child's class teacher.

Yours sincerely

Mrs Burns  
Assistant Principal Phase 1
