Dear Hadley Year 11 Parent,

### Year 11 – Christmas learning resources and revision

At Oasis Academy Hadley, we want to ensure that your child is well prepared for their forthcoming GCSE examinations and achieve their full potential. To support this, we use a range of strategies to support their learning and progress throughout the academic year including regular assessments and online resources. Year 11 children will be having mock exams in February. Here are some useful revision strategies:

- Use the QR codes attached to help direct your child to useful websites that can also support them with revision for their upcoming exams.
- Use the **Independent Study folders** which everyone can access via **Microsoft Teams on their iPads**.
- Here are some useful QR code links as well

We recommend that your child is allowed access to their Ipad for at least 1-2 hours per day to keep up with their learning.

I hope you find all this information useful and it enables you to support your child during this very important year.

Please contact me if you have any questions.

Yours faithfully,
