

30th March 2023

Dear Hadley Year 11 Parent,

Year 11 GCSE Exams

GCSE examinations will begin on **Monday, 15th May and will finish on the Wednesday, 28th June 2023**. Students must be available for exams until the 28th June even if nothing currently appears on their exam timetable. No holidays should be booked in the exam window up to and including 28th June.

To support the children through the exams we will be continuing with intervention support sessions between **3pm and 4pm from Monday to Wednesday every week**. A timetable of interventions is attached.

We will also be running interventions and tutoring sessions during the Easter holidays. The intervention session times are also attached.

In addition to this, children have access to all revision guides from Pearson and on Seneca (an online revision platform):

- Pearson Revision Guides: [Revise](#)
- Seneca: [senecalearning.com](https://www.senecalearning.com)

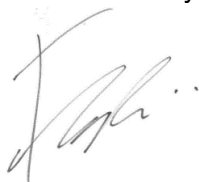

There is also support further and revision resources in their **independent learning folder** on their iPad.

Your child has been given their individual exam timetable which is also available to see on MCAS. They should add all their exams on to a calendar or app such as '*Exam Countdown*'.

It goes without saying that is very important that children continue to attend the academy every day and on time throughout the examination season as we want to maximise every minute they have in school.

Please contact me if you have any questions.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Icaro Reis'.

Icaro Reis
Assistant Principal

GCSE Study Support

You will find all support materials on the iPad in the independent learning folder and you can also use these

Ways to support your child in Year 11	
Pearson Revision Guides Pearson.com	Every Revision guide published by Pearson-
SENECA senecalearning.com	Another online study resource which covers all subjects. This is completely free to sign up to.
Hegarty Maths hegartymaths.com/ -	Maths website containing videos and questions.
Microsoft Teams INDEPENDENT STUDY folder	Through your child's iPad they will have access to MS Teams. This is where all work and homework will be set. It includes revision support, lesson power points, exam practice and lots more so they are always able to add to their learning outside of school.
Intervention timetable	We offer Intervention Sessions every week Monday to Wednesday from 15:00-16:00 with your child's class teachers. We will also have Intervention sessions during the Easter holidays and May half-term. These will be confirmed at a later date.
Study timetable	Assist your child in creating a timetable they can use for out of school study time. Include after school and weekends and ensure it balances all subjects and relaxation time. Templates will be provided on Microsoft Teams.
Student well being	It is important to realise that this will be a particularly stressful time. Eating healthily, having a proper night's sleep (8 hours+) and having periods of planned rest and enjoyment are all important. If you are particularly concerned there are staff in the school who can support further. Please contact your child's teacher if you are worried about this.
