Dear Hadley Years 7, 8, 9 and 10 Parents

### January Mid-Year assessments

At Oasis Academy Hadley, we want to ensure that your child is progressing well in their subjects. Therefore, in January your child will have a series of assessments in certain subjects so we can evaluate their progress and identify how they can improve as we move through the academic year.

Learning at home is really important. Here are some resources to support your child's learning over Christmas Holiday:

- There are lots of useful learning resources on their iPad in the **Independent Study folder** which everyone can access via **Microsoft Teams**
- Use the QR codes attached to help direct your child to useful websites that can also support them with revision for their upcoming assessments.

We recommend that your child is allowed access to their Ipad for at least 1-2 hours per day to keep up with their learning.

I hope you find all this information useful, and it enables you to support your child's learning.

Please contact me if you have any questions.

Yours faithfully,

A handwritten signature in black ink, appearing to be "Tony Peel".

Tony Peel  
Deputy Principal
