P.S.H.E and Citizenship 	We will be: <ul style="list-style-type: none"> • Developing who am I and who am I becoming

Here are some ways that you can help your child at home:

- It is very important that you read with your child every night - please remember to do so and don't forget to sign your child's reading record!
- Please support your child to complete their homework and hand it in on time.
- Help your child learn their multiplication tables by regularly practising with them at home, in the car or in any spare time you may have. Children can use the PIXL times table app at home to help them with this
- Use the independent learning folder on the iPad
- Practise your child's spelling to prepare them for their test remembering their handwriting joins.
- Encourage your child to check their spellings in their writing – every bit helps!

Thank you for your ongoing support,

The Year 1 Team

Ms Terholli and Ms Abukar
