Here are some ways that you can help your child at home:

- Ensure they are using the independent learning folder on their iPad
- It is very important that you read with your child every night - please remember to do so, just 10 minutes will help and don't forget to sign your child's reading record!
- Help your children with practising their conversions of metric units and with telling the time on both digital and analogue clocks by testing them frequently throughout the day.
- Practise your child's spelling to prepare them for their tests, remembering their handwriting joins.
- Encourage use of Spelling Shed and Maths Shed– free online education games daily.
- Remember to bring PE kits every **Friday**
- Ensuring that their homework is completed every week by Tuesday.

Thank you for your ongoing support.

The Year 6 team,
 Ms Ngo, Ms Cojuangco and Ms Burns
