We will continue to build their confidence through trying new activities and building relationships with each other.

In PE sessions we will work on Dance. Begin to build a repertoire of dances. Children to make up dances and experiment with ways of changing them. Children to initiate new combinations of movement and gesture to express and respond to feelings, ideas and experiences.

Here are some ways that you can help your child at home:

- Continue to read with your children every night, this is very important and helps your child learn in all subjects. Please remember to sign your child's reading record every day.
- Help your child to read the key words every day.
- Please support your child to complete their homework and hand it in on time. Homework is always due on a **Tuesday**.
- Encourage your child to dress and undress by themselves.
- Help your child to use cutlery at home to be independent at lunch times.

Thank you for your ongoing support,

The Reception Team
