

Dear Hadley Year 3 Parents,

Year 3 Curriculum
Spring 2 2023

We do hope you had a lovely break! Both Newcastle and Exeter University have had an exciting term learning about The Stone Age and Stonehenge. This term we will be learning about Egypt.

We will be looking at how art and culture have changed through time and the factors that have influenced change. We will be focusing on Ancient Egyptian artefacts and learning about the ancient civilisation and their culture. We will be reading the terrific text 'I Was There: Tutankhamun's Tomb' by Sue Reid. For writing we will be reading the book The secret of Black Rock.

Ancient Egyptians

<p>English</p> 	<p>We will be:</p> <ul style="list-style-type: none"> • Learning features of a narrative, focusing specifically on a tale of fear • Using different language features • Learning features of a newspaper article • Learning how to write a newspaper articles • Using conjunctions, adverbs, and prepositions to show time, place and cause.

Here are some ways that you can help your child at home:

- It is very important that you read with your child every night - please remember to do so, just 10 minutes will help and don't forget to sign your child's reading record!
- Help your children with practising their conversions of metric units and with telling the time on both digital and analogue clocks by testing them frequently throughout the day.
- Practise your child's spelling to prepare them for their tests, remembering their handwriting joins.
- Encourage your child to check their spellings in their writing – every bit helps!
- Encourage use of Spelling Shed and Sumdog– free online education games.
- Check that your child is accessing Showbie regularly for home learning tasks and messages from teachers.
- Promote independence by encouraging your child to be active learners, remembering to bring in their PE kits every **Monday and Wednesday** and ensuring that their homework is completed every week by Thursday.
- Ensure your child is punctual and is in every day.

Thank you for your ongoing support.

The Year 3 team,
Ms Maisto and Ms Kulane
