Dear Hadley Parents

Enrichment Programme Careers Day – 30th November 2023

I am writing to tell you about an exciting opportunity for your child. The Hadley Enrichment Programme Careers Day has been organised for Years 11 to 13. The day will include a Higher Education Fair, CV Workshops, Mock Interviews, Career Talks and Educational Workshops. Over twenty Russell Group and top third universities have confirmed their attendance including UCL, Queen Mary and University of London. There will also be apprenticeship providers in attendance.

The day will be hugely beneficial for your child's preparation for higher education. Alongside the Fair the day will comprise of a series of careers talks which will broaden students understanding of different careers paths. This will take place on the Thursday, 30th November 2023 at Oasis Academy Hadley.

All students need to register as usual at 8:40am. Students are expected to dress in a smart and professional manner. We hope that the day will be both enriching and stimulating and that your child will benefit from a valuable learning experience.
