

9th November 2023

Dear Hadley EYFS Parent

EYFS iPad Workshop – Tuesday, 21st November 2023

The iPad is a wonderful tool to help children learn. We would like to share the many ways in which parents can support their children’s learning using an iPad by hosting a fund workshop for parents. To explore the different ways, you and your child can extend their learning beyond school using their school iPad, we will be holding a 45-minute session on **Tuesday, 21st November 2023 at 9:30am**. This session will be run by Rochelle Robb, our EYFS leaders who will talk about the following:

1. Explain how to access and use the Independent Learning Folders.
2. Explore useful apps to support learning at home.
3. Introduce you to your child’s new online Journal of observations.
4. Explain the importance of internet safety.

Parents will be asked to wait in the main reception and will be escorted to the Phase 1 Hall where the workshop will take place.

Please bring your child’s iPad and passwords with you. If you are currently experiencing any technical issues with your child’s iPad, please bring it in beforehand, so we can have it up and running for the workshop. This will ensure that you are able to take full advantage of the session.

sincerely,

Mr. Kelly
Deputy Principal Phase 1 Lead

iPad Workshop for EYFS Parents – Tuesday, 21st November 2023
