

11th March 2024

Dear Hadley Phase 1 Parent,

I am writing with an update about our Horizon's programme. This is a unique programme exclusive to Oasis, which provides each child with an iPad to improve learning at school and at home.

I am really pleased with the positive outcomes and the more engaging and dynamic way of learning we've seen since introducing these iPads, and I hope you are too.

As you will know, technology often requires upgrades and changes, which is why we will soon be collecting in all the current iPads and cases so that we can return them to Apple. We will then be issuing all pupils from Reception to Year 6 with a refreshed iPad shortly afterwards.

From Monday, 11th March all children's iPads must come to school each day – children will bring them home each day after school. We aim to replace all of the children's iPads by Friday, 22nd March 2024.

As per the initial agreement, any unreturned iPads will result in a charge of £104 and any damaged iPads will result in a £50 charge for their repair.

If you have any issues or difficulties, then please do talk to us as soon as possible.

Thank you for your support.

Yours sincerely,
