

16th October 2023

Dear Hadley Year 11 Parent,

Year 11 – November Mock Exams

At Hadley we do all we can to ensure that children are learning well and making good progress. As your child will be taking their GCSE's this year, we are putting in several supportive strategies to prepare them for these important exams, which started with the interventions on Monday, Tuesday and Wednesday after school.

After the half term break your child will be involved in mock examinations. These will start the first week back on **Monday, 30th October and will finish on Friday, 17th November**, the schedule for the exams is attached to this letter.

All students are expected to attend the Academy as normal during this time as a regular timetable of lessons will run alongside these exams. These exams will provide your child and their teacher with valuable information as to how they can improve and reach their potential.

We will be holding a **Y11 Parents Evening on Thursday, 7th December** which will allow us to be able to discuss these results with you.

In preparation for these mock exams please ensure your child uses the Independent Study folders which are available via Microsoft Teams on their iPads. This will provide valuable revision guidance for the mock exams.

We would also like to remind you that we continue to have intervention sessions taking place Monday – Wednesday after school from 3.00pm to 4.00pm. It is the expectation that every year 11 pupil should spend two hours each day revising.

We hope that you and your families enjoy an excellent half term break and I look forward to seeing you all on the **Thursday, 7th December – details to follow**.

If you require any further information, please contact Mr Goddard chris.goddard@oasishadley.org or me harry.ioannou@oasishadley.org via email or by phone on 0208 804 6946.

Yours sincerely,

Mr Ioannou
Assistant Principal
