

15th January 2024

Dear Hadley Year 11 Parent,

Year 11 – Spring Mock Exams

Your child is preparing for GCSE's this Summer. To ensure they are prepared for these, they will be taking practice exams throughout February. The schedule for the exams is attached to this letter.

All students are expected to attend the Academy as normal during this time as a regular timetable of lessons will run alongside these exams. These exams will provide your child and their teacher with valuable information as to how they can improve and reach their potential.

In preparation for these mock exams please ensure your child uses the **Independent Study folders** which are available via Microsoft Teams on their iPads. This will provide valuable revision guidance for the mock exams. In order to motivate your child to carry out independent revision, we are currently offering all Year 11 students £5 gift cards or £5 towards the cost of their prom tickets for every 10 hours of independent revision that they evidence as having completed.

To support your child we are expecting them to attend **interventions during the February Half Term (12th to 16th February)** and we continue to have **intervention sessions taking place Monday – Wednesday after school from 3.00pm to 4.00pm**. It is the expectation that every Year 11 pupil should spend a minimum of 2-3 hours each day revising from the independent learning folder on their iPad.

We hope that you and your families enjoy an excellent half term break and I look forward to seeing you all on **Wednesday, 27th March for Parent Meeting Day**.

Please contact Mr Goddard via email: chris.goddard@oasishadley.org or Mr Ioannou if you have any questions.

Yours sincerely,

Chris Goddard, Head of Year 11
