

1st May 2024

Dear Hadley Year 1 Parents,

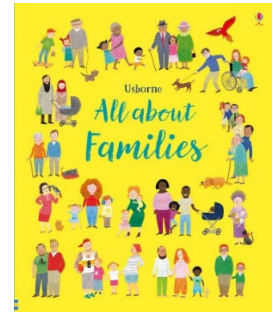

**Relationships and Sex Education Curriculum Parent Meeting
Wednesday, 8th May 2024 at 2:30pm**

As part of your child's education at Oasis Academy Hadley, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that this half term, starting 13th May, your child's class will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of this programme.

Lessons in Year 1 will include pupils learning about:

- Who are the people in my life that love and care for me (family)?
- What are the differences and similarities between people?
- What are the similarities between girls and boys? (body parts).

PSHE education is taught throughout the school in every year group and it is monitored and reviewed regularly by the staff and senior leadership team. All PSHE teaching will take place in a safe learning environment and is underpinned by our school's ethos and values.

If you would like to find out more about what your child will be learning, we will be holding an informal workshop for parents on **Wednesday, 8th at 2:30pm** in the Phase 1 Hall. Come along to find out what your child will be learning in class, what materials and resources are used and how you can best support your child when discussing these topics at home. Please be at the Primary Gate for 2:20pm

Yours sincerely,
