Learning about **Homes** will develop the children's understanding that houses are the places where we live and are the buildings that line our streets! The children will also be learning about the traditional homes of people in different cultures.

Here are some ways that you can help your child at home:

- Encourage your child to dress and undress themselves
- Please continue to read to your child every night
- Please continue to support your child in doing his/her home learning
- Count with your child and help them to recognise numerals and to order numbers
- Engage your child in conversation and encourage them in using full sentences
- Bring your child to school every day
- Encourage your child in saying please and thank you!

Please ensure that you clearly label all your child's belongings with their name and ensure your child has a full change of clothes in a bag on their peg and wipes and nappies.

Thank you for your ongoing support,
