Year 3 Curriculum
Summer 2022

Dear Hadley Year 3 Parents

We hope you had a relaxing Easter break. We have just finished a fantastic half term with lots of learning about Ancient Egypt in Topic, as well as reading our exciting text 'I Was There, Tutankhamun's Tomb' in our Guided Reading and English Lessons. The theme we are learning about this term is **Word War II evacuees**.

In Science we will be learning about different types of rocks and how fossils are formed. We will be reading the terrific text '*The Lion and The Unicorn*' by Shirley Hughes.

<p>English</p> 	<p>We will be:</p> <ul style="list-style-type: none"> • Writing stories with familiar settings. • Creating imaginative settings, character and plot in narratives. • Using ambitious vocabulary. • Using conjunctions, adverbs and prepositions to show time, place and cause.
<p>Mathematics</p> 	<p>We will be:</p> <ul style="list-style-type: none"> • Exploring time and understanding that clocks are measuring devices with more than one scale • Understanding how to read the time accurately from different formats (digital, analogue and written time) • To measure intervals of time in seconds, and in minutes and seconds • Practicing using the four key operations
<p>Science</p> 	<p>We will be:</p> <ul style="list-style-type: none"> • Learning about the different types of rocks and soil. • Comparing and grouping rocks based on their physical properties. • Learning about the process in which fossils are formed.
<p>D&T</p> 	<p>We will be:</p> <ul style="list-style-type: none"> • Investigating the purpose of a suitcase and conducting our own research on suitable materials. • Designing and building our own evacuee suitcase.

P.E 	We will be: <ul style="list-style-type: none"> • Developing hand eye co-ordination and independence in pulse raising activities • Developing the range and consistence of their skills in striking and fielding games
I.C.T and Computing 	We will be: <ul style="list-style-type: none"> • Using logical reasoning to debug a program. • Learning about coding and systematic thinking.
R.E 	We will be: <ul style="list-style-type: none"> • Studying Buddhism • Learning about Buddhist beliefs and values.
P.S.H.E and Citizenship 	We will be: <ul style="list-style-type: none"> • Focusing on discussing and understanding emotions • Learning how to use words to express emotions.

Here are some ways that you can help your child at home:

- Check the Independent Learning Folder on the iPad MSTeams for useful activities that your child can do independently. This will really support learning and help them to make great progress.
- Continue to read with your children every night, this is very important and helps your child learn in all subjects. Please remember to sign your child's record every night.
- Practise your child's spelling with them to prepare them for their weekly test.
- Encourage your child to regularly participate on Spelling Shed and Maths Shed.
- Support your child to complete their homework and hand it in on time.
- Help your child learn their multiplication tables by regularly practising with them at home, in the car or any spare time you have.

Thank you for your ongoing support.

The Year 3 team,

Mrs Maisto and Ms James
