

24th May 2021

Hadley Year 11 Parent

I hope this letter finds you well.

Our children in Year 11 are coming to the end of their formal education at Hadley and have now completed all the assignments which are now being moderated for their GCSE examinations. They should be congratulated for their hard work and commitment despite challenges through difficult times. As the Principal at Hadley, I am incredibly proud of our children and I am confident that their hard work will really pay off in future.

After half term there will be a range of learning opportunities designed to prepare the children for the next stage in learning.

Course preparation tasks

These will be shared on Show My Homework. They are designed to prepare the children for further study at sixth form or college.

Hadley Sixth Form

The vast majority of our Year 11 children stay onto sixth form at Hadley. This is because the sixth form is very successful, and they know their teachers will continue to support and care for them. If you have not already applied, please ask your child to see Ms Albay – Head of Sixth form or email; her at Yesim.Albay@oasishadley.org. Children who have applied to Hadley sixth form will shortly receive the programme of events that are taking place over the next half term which includes university trips, careers events and taster lessons. Children will also receive information about when to collect their Apple iPad.

Career exploration

If your child is undecided about their career choices at this stage and they are keen to know more about what is on offer, they will find information about a range of courses and careers that they may not have been considered previously on Show My Homework. They are also able to contact our careers advisor for individual support at any time by emailing Latib.Ali@Enfield.gov.uk. He is able to meet at Hadley or arrange a call for advice. Children can also receive advice by calling the National Careers service for free on 0800 100 900.

Half Term Break

On Friday 28th May we will have a slightly earlier finish time for the Year 11 pupils. There will be a special assembly organised and time provided to allow them to say goodbye to one another. We will dismiss the Year 11 children at approximately 2:00pm, however they will be able to remain on site to collect younger siblings if necessary.

Wellbeing

For personal support, advice and wellbeing go to Kooth.com. They are an online platform providing immediate support for children who are sad, anxious or finding life hard at the moment.

Principal - Zoë Thompson BSc Hons, NPQH
